

Help I'm an Alien Quiz

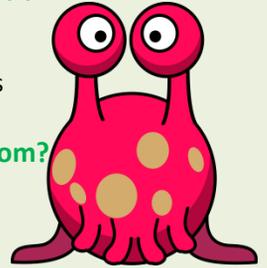

1. **Who first suggested to Daniel that he was an alien?**
- His incredibly annoying older sister, Jessie.
 - His fart busting best friend, Freddo.
 - The weirdest teacher at school, Mr Pitdown.

2. **What was on the newspaper cutting Daniel found in the family photo album?**
- An article about the planned evacuation of Earth in the next century.
 - Details of a meteor that crash landed on Daniel's birthday.
 - A photo of footprints in the snow that may have been made by aliens

3. **Which planet did Gordon suggest Daniel may have originated from?**
- Kepler 22b
 - Jupiter
 - Andromeda 7

4. **Why was Daniel prepared to experiment with being frozen alive?**
- He needed to be sure he could survive the journey under cryostasis.
 - He was fed up of the heat wave and wanted to cool down.
 - He'd always dreamed of being involved in a scientific experiment.

5. **What did Gordon dress up as when the team went 'Trick or Treating'?**
- A zombie with only one leg.
 - A robot wrapped in tin foil.
 - A ghost with no eyes.

6. **What was the genius idea Gordon came up with while they watched fireworks?**
- They should 'phone home' and ask the aliens to come and get Daniel.
 - Daniel should advertise for other aliens stranded on Earth to contact him.
 - Daniel should stowaway on the next rocket being sent into outer space.

7. **Why did Gordon's face flash onto the television screen downstairs?**
- He was featured on the 'Police Most Wanted' programme for laptop theft.
 - A video of Gordon and Daniel in the school play was stuck in the VCR.
 - He had left his web cam on while he was transmitting the SOS message.

8. **Who were The Returners?**
- A group of former alien abductees.
 - The family who used to live at the Kendal's home.
 - A society of aliens living on Earth illegally.

9. **Where did The Returners take Mum and Dad?**
- To the meteorite gallery at the Space Museum.
 - To the playground on the top of Park Hill Fields.
 - To the underground bunker where the aliens were hiding.

10. **How did the children project an image of a spaceship into the sky?**
- They adapted the Supreme Communications Device to relay images from the internet.
 - Gordon used his laptop and a spotlight to shine a picture of Timmy's Lego model.
 - Freddo used a mirror to reflect a picture of the Starship Enterprise onto the clouds.
